

## 'Wheelie Friendly' Travel Club

**DO YOU**...want to enjoy a trouble-free day out with the focus being on fun?

**DO YOU**...have a physical challenge which makes it difficult to get on a bus?

**DO YOU**...use a mobility aid - maybe a stick, walker, wheelchair or scooter?

If you answered 'yes' to any /all of the above and want to meet new people, see new places, and enjoy yourself ~ then please read over the page...

Our Travel Club has regular day trips from Hamilton to a variety of suitably accessible destinations. Our unique coaches are equipped with low steps, good hand rails, and a wheelchair lift. The cost per trip is based on distance, meal price and any admission fees.

We are a friendly lot, so there's always lots of laughter! There's no joining fee and friends and family are most welcome - the more the merrier.

If you have a group that wishes to make a block booking to visit one of our destinations on another date (costs less per person this way), or perhaps plan your own trip, please contact me and I'll be happy to help with your requirements ~

- We will arrange pickups in the most convenient manner to us all, but mostly from home.
- Cash or cheque accepted on the day of travel, but you may pay at the time of booking to secure your seat. If unable to travel on the day, your money will go towards the next one.
- Some trips will have a nice lunch as the feature, and will be included in the price. Other times you may bring your own, or purchase from our destination. *Feel free to bring a snack if you wish ~ eating on the bus is ok, and it is a good idea to have a water bottle.*
- Comfort stops are allowed for (don't worry ~ I need them too!!)
